UNITED STATES DISTRICT COURT
DISTRICT OF UTAH, CENTRAL DIVISION

Y. Vadim Yudin

vs.

Jordan School District

Motion to seal the docket or mark case as private

Civil Case No 2:18-cv-00562

JUDGE HONORABLE CLARK WADDOUPS

There is sensitive information in the case regarding Plaintiff's disability and documents that classified as private under **Utah Code §63G-2 Government Record Access Management Act** as Plaintiff considered a public government employee.

Plaintiff represented himself as Pro-se. Plaintiff is American citizen of Ukrainian national origin.

Because of the language barrier and Pro-se representation Plaintiff interpreted the facts erroneously to own disadvantage.

Plaintiff was a victim of cyber stalking. Some individuals were able to access the case documents on the Pacer information system and using the language discrepancy misinterpreted the facts attempting to compromise Plaintiff's teaching carrier.

Plaintiff respectfully submits before this Court the **Motion to seal the docket or mark case as private.**

Plaintiff Pro-Se:

Y. Vadim Yudin.
